CAPTAIN MARVEL

BORN TO A KREE MOTHER AND HUMAN FATHER, FORMER U.S. AIR FORCE PILOT CAROL DANVERS BECAME A SUPER HERO WHEN A KREE DEVICE ACTIVATED HER LATENT POWERS. NOW SHE'S AN AVENGER AND EARTH'S MIGHTIEST HERO.

CAPTAIN MARVEL

"FAMILY MATTERS"

Petty thief YUNA YANG was attempting to steal the NEGA-BANDS from GENIS-VELL (son of the original Captain Marvel) when an energy-absorbing villain named THE OMEN attacked. Desperate, Yuna slapped the Nega-Bands on her own wrists, somehow reactivating their bond to Captain Marvel! Now mind-linked, Yuna and Carol swap places whenever they clang the Bands together, with one of them becoming stuck in the NEGATIVE ZONE!

The Omen wants those Bands—enough to enchant Genis-Vell and send him after the Captain! What's more, the Omen's magic seems to have a corrupting influence—and it's spreading through the Bands to weaken Yuna. With the help of DOCTOR STRANGE and his sorceress wife, CLEA, Carol and Yuna retrieved a magical box from the Negative Zone that was meant to give them answers. But when they opened the box, it released a dangerous entity—an energy-eater and the mastermind behind the Omen—known as THE UNDONE.

The Undone offered to free Yuna from the Nega-Bands in exchange for Yuna becoming another one of her Omens...and Yuna accepted!

AN EMERGENCY,
YOU PICK ME.

I CAN'T EXPECT
I NEED TO BE IN
IT, FIXING IT.

YUNA...!
DON'T!

WATCHING A DISASTER
UNFOLD AND NOT BEING
ABLE TO DO ANYTHING
ABOUT IT IS AGONIZING.

YOU
CAN FIX THE
NEGA-BANDS SO
THEIR CORRUPTION
WON'T KILL
ME?

OH, YUNA,
WITH MY GIFT,
NOTHING WILL BE
ABLE TO KILL
YOU.

YOU WILL
OUTLAST EVERY
STAR IN EVERY
GALAXY.

AN
ETERNITY AS
MY OMEN.

THE NEGATIVE ZONE.

LET
ME OUT,
DAMMIT!

THESE

IT MAKES ME FEEL
HELPLESS. AFRAID.

FURIOUS.

WAIT,
SHOW ME
YOU'RE TELLING
THE TRUTH.

SUCH
SMALL PROOF
YOU ASK FOR.

BUT VERY
WELL.

I'VE ONLY
REMOVED THE

BUT YOU ALREADY FEEL
YOUR STRENGTH
RETURNING,
DON'T YOU?

I--I

THANK
YOU.

HOW

YOUR FAMILY'S WILD.

YOU DON'T KNOW THE HALF OF IT.

I SEE... SO THIS IS ALL BECAUSE OF THESE NEGA-BANDS.

EVAN, DO YOUR CONTACTS KNOW ANYTHING ABOUT THEM OR THE OMEN?

I'LL CHECK.

MY OLDER BROTHER, EVAN, RUNS A NETWORK OF INFORMATION BROKERS.

I'VE NEVER HEARD OF HIM.

HE'S NEVER BEEN CAUGHT.

MANNERS, GEORGIE! WE HAVE COMPANY!

MY LITTLE BROTHER, GEORGIE, IS STILL IN HIGH SCHOOL.

FOR SOME REASON, HE WANTS TO BE A CIVIL ENGINEER.

MY MOM... WELL... I PROBABLY SHOULDN'T TELL YOU THIS, BUT ONCE UPON A TIME, SHE COULD HAVE GIVEN BLACK CAT A RUN FOR HER MONEY.

I STARTED STEALING TO PAY OFF MY STUPID LOANS, BUT I'VE KNOWN HOW TO DO THIS KIND OF STUFF MY ENTIRE LIFE.

YOUR DAD?

HE'S...

SHE CAN'T GET TO ME,
SHE'LL COME FOR

I WON'T
LET HER. I WON'T
LET THE OMEN OR THE

YOU.

CAPTAIN MARVEL #6!

THE CAROL ZONE

Hey, Carol Corps! Get ready for the return of guest artist Ruairi Coleman next month! And that's not the only return... Fans of Kelly Thompson's run, one of your surely favorite characters is about to make an appearance!

Till then—you have questions, I mostly do not have answers. Let's dive in. Write us at mheroes@marvel.com and mark your email "okay to print" to appear in a future letters page!

Wow. I approve. This was intense! Prediction: This series will see the coming of CAPTAIN MARVEL #200 in its run. New costume, new characters, Genis-Vell's return, and all wrapped up in an original, "all action all the time" first issue. Great creative team, naturally. We know that Alyssa Wong likes to intro new characters, like in this very issue, right? But these are so much more superior to even the ones in DEADPOOL. BTW, how soon can we have our man Wade guest-star here? I can only imagine what a meeting between Princess and Chewie would entail! New costume, too, for Carol; all pretty bold, I gotta say. I don't have cuts anymore, or even a camera believe it or not, but I'll send you this instead: a thumbs-up!

The Omen is a great name for a new villain; how come no one else has thought of that, especially with those movies named that...? Hopefully Genis-Vell—or should we call him Genis-Evell now?—will stick around, and that Jessica (Drew), Chewie, Hazmat, Tony Stark, Phyla-Vell, and more supporting cast will be back soon too.

Cheers,
Andrew J. Shaw

Welcome back, Andrew. Thanks for your faithful letters!

Just finished issue #1, and we're already hooked! We wanted to share our Captain Marvel cosplay based on Jen's new design—clearly we were hooked before the issue even came out :D. Loved seeing Carol in action in it!

Thanks!
Heather & Will

This is awesome! Love the hair too!

Dear Alyssa Wong and the CAPTAIN MARVEL Crew,

I have enjoyed the first two issues of the latest Captain Marvel book, and I love Carol's new suit, but I am confused about one thing: What happened to Rick Jones? Last time we saw him, in Peter David's GENIS-VELL: CAPTAIN MARVEL miniseries, Rick was once again bonded to Genis via the Mega-Bands, just like Yuna and Carol are now. So with Genis being killed by Omen, what happened to Rick? Is he stuck in the Negative Zone?

Luis

Great questions, Luis! We're not quite ready to answer them yet. Rick WILL pop up though—stay with us!

Dearest Carol Corps,

WE ARE SO BACK. Captain Marvel is experiencing something of a celebration right now. With an excellent movie in cinemas and three comics all coming out around the same time? DARK TEMPEST has been a fun ride, ASSAULT ON EDEN is one of the best one-shots I've read in a while, and this new ongoing is a thrilling reinvention of the concept. Bringing it back to a "Mar-Vell and Rick Jones" style body-swap adventure was a stroke of genius, and Yuna is just my kind of protagonist. And a classic Alyssa Wong protagonist too in every way. Thank you for a wonderful book. Make Mine (Captain) Marvel!

Yes! Thanks for writing in!

Dear Carol Corps,

This is my first time writing in! I'm a recent reader to comics but a longtime Carol Danvers fan. I was introduced to Carol in video games, and she quickly became my favorite Marvel character. This run has been interesting so far—I've gotten all of the variant covers. Her new outfit is absolutely gorgeous! I like how so far the run parallels THE MARVELS somewhat with the switching places. I loved the movie and have seen it three times already! In this run, I'm

looking forward to finding out more about Yuna (and maybe seeing how Jessica would get along with her). Looking forward to the next one!

Christine Rowe

I'm so glad you're digging this, Christine! Welcome to the letters page; there's little I love more than seeing a fan write in for the first time. Yuna is so charming, I'm not surprised she's hooked you.

Hello! This is my first time ever writing in. I absolutely LOVED Alyssa Wong's run on DEADPOOL, so when I saw their name attached to a new CAPTAIN MARVEL run, I just had to pick it up! I even subscribed to the series before reading issue #1, and I never do that. I'm loving the series so far. Yuna is an interesting character, and I'm excited to learn more about her. I am loving this slightly more grounded Carol, but I absolutely would not mind seeing some more cosmic adventures in the future!

Kameron, I'm so grateful this comic caught your eye! Keep us on your pull list, it helps SO much.
